THE AMERICAN JOURNAL OF NURSING

INDEX TO VOLUME 61, NUMBERS 1-12

JANUARY-DECEMBER, 1961

The material in this index is arranged alphabetically under subjects and authors.

News items are indexed under the names of the individuals concerned, the organizations mentioned, and the particular area in nursing to which the item pertains.

Book reviews are listed under author and subject. **Articles** will be found under the name of the author, joint authors, and one or more subjects.

Beginning with January 1961, volume 61, the paging ceased to be continuous within the yearly volume. Each monthly issue begins with page one and is paged continuously therein. This is indicated in the index by a brief abbreviation for the month and the page, *i.e.*, Ja 15 means January, page 15.

The following abbreviations are used to indicate the months:
